Herban Feast (herbanfeast.com) presents CRAVEgreen: an evening of indulgence with an eco twist. Produced in partnership with See Green Ventures (seegreenventures.com), a Seattle-based green events company, this bright green party will take place on May 11 from 6-9 p.m. at Sodo Park (herbanfeast.com/sodopark) by Herban Feast (3200 1st Ave S., Seattle). CRAVEgreen will be a night of luxurious, eco-indulgence with fresh, delectable, local and organic food by Herban Feast (herbanfeast.com/menus), natural and organic spa services, plenty of retail therapy, and a lively fashion show featuring the latest in sustainable style.

Also on tap will be an opportunity to give back to the women and girls of Washington state with a raffle to benefit the Women's Funding Alliance (wfalliance.org). Raffle tickets will be available pre-party on the CRAVE site and at the event, and several ticket holders will win fabulous prizes. The Women's Funding Alliance (WFA) is the leading foundation in Washington state that invests in and advocates for women and girls. By strategically supporting marginalized and under-funded groups that promote progressive change for women and girls, they have a dramatic impact on our community. Last year WFA gave over \$530,000 in critical funding to 36 organizations in Puget Sound.
